

Harassment Adviser/Contact Officer Training – Follow Up Day

Following the initial 2-day Harassment Adviser course or as part of the refresher session, we can provide Harassment Advisers with practice conducting an Advice session to our 7-step process using our team of actors. This provides an excellent opportunity to apply the learning from our 2-day course and identify areas for further development or focus.

At the end of this session Harassment Advisers will have increased confidence and the organisation can be assured that its internal Harassment Advisory Service is ready to provide an effective listening service to resolve more concerns in the informal process.
