

Specialist Investigator Training- Follow Up Day

Following the initial 2-day Specialist Investigator course or as part of the refresher session, we can provide Investigators with practice of conducting an investigation interview using our team of actors. This provides an excellent opportunity to apply the learning from our 2-day course and identify areas for further development or focus.

At the end of this session Investigating Officers will have increased confidence and the organisation can be assured that its internal Investigation service is ready to expertly investigate complaints of Bullying, Harassment and Discrimination.
