

Specialist Investigator Training- Refresher

We can provide a 1-day refresher seminar for internal investigators to build on their existing skills. The course content is flexible dependent on specific needs and solutions often involve actors to simulate investigation complexities.

We can always run this session as a masterclass, focussing on challenging, technical, or situational issues which may arise during the investigation process.

For further information, call us on 0333 939 0177 or send an email using the [Contact Form](#) on the Contact Us page.
